Details:

These new detached villas are located on a sloping hillside in Polop with views over small villages, facing the town of Altea as well as the Mediterranean Sea. The villas were built using only the best materials.

The basement can be expanded with additional rooms as well as a bathroom, etc. The large pool is included in the price.

On the ground floor there the foyer, a large living room (45 m²) as well as a bedroom with bathroom en suite are located. A staircase leads to the 1st floor with 2 bedrooms with bathroom en suite and direct access to the large terrace.
