## Location & surrounding area:

Orbeta belongs to Orba and is approx. 14 km away from Denia and the beach.

The nearest shops are located in the village. Just a few miles away are two popular 18 and 27 hole golf courses.

From the property you have a fantastic view of the mountain panorama.

Dénia, a city which is located between Alicante and Valencia in the north of the Costa Blanca, on the east coast of Spain, is a very popular holiday destination and heavily influenced by tourism.

The 20 km long sandy beach, which merges into the rocky coast at the height of the district Las Rotas, as well as the nature reserve Montgó, suitable for hikers, are landmarks of the city. The lovely neighboring town of Javea, which offers a view of Ibiza in clear weather, is another highlight of Denia.
