Details:

This beautiful and very well maintained villa with separate guest apartment and many other extras was built in 1997 in high-quality construction and offers on a floor space of 160 sqm 6 rooms, of which 4 are bedrooms.

The spacious property size is 1100 sqm.

The slightly elevated position offers a magnificent view of the Mediterranean Sea and the 27-hole golf course of La Sella.

On the main floor (pool level) there are a total of 3 bedrooms and 2 bathrooms.

In the basement there is a full guest apartment with living room, bedroom, shower room and a fitted kitchen. The heated pool and the large terrace with gazebo by the pool will delight you. Via an electric gate, you can comfortably drive up to the massive carport, which can accommodate 1-2 vehicles.

The villa has a very good price / performance ratio and can therefore also be regarded as an investment.

The furniture is included in the purchase price.

The villa offers further features like:

- solid construction
- tile floors
- gas central heating
- stove
- 2 fitted kitchens
- aluminum insulated windows with shutters and mosquito protection
- spacious covered terrace with sea view
- spacious uncovered terrace with gazebo
- heated pool with outdoor shower
- gutters
- workshop
- bodega
- carport for 2 vehicles
- water depot
