Location & surrounding area:

You can reach the nearest town and its numerous shops after approx. 2 km. The nearest beach is about one km away and the airport of Alicante about 64 km.

Altea, located on the section of Mediterranean coast,

Very special about the small town, which started to grow in the 1950s because of its good weather, are its beaches and the labyrinthine streets with whitewashed house-fronts.

Altea is protected on the north by the cliffs of the Serra de Bèrnia, creating an especially mild microclimate.
