Details:

Here you have a unique opportunity to acquire one of the few remaining building plots between the mountains of the Sierra Levant with the unmistakable cliffs of Mont Ferrutx and Colònia de Sant Pere.

On the almost 16,000 sqm of building land, the building plan we have available provides for a property of 396 sqm distributed over 2 floors plus basement. There is also a pool of 75 sqm. The building extends to the northeast along the bay of Alcudia and to the southwest along the mountain range with Mont Ferrutx.

Access is easy via the road from Artà to Colònia de Sant Pere.

Location & surrounding area:

Colonia de Sant Pere lies in the municipality of Artà, the Majorcans call it lovingly the harbour of Artà. Wonderfully situated in front of the mountains of Mont Ferrutx, the village maintains the rhythm of the inhabitants, even in the summer it does not change a lot. With the construction of the new harbour the village has grown but because of the building regulations, there are no large buildings or hotels. Unforgettable sunsets are memories for visitors to this village.
