This impressive plot of approx. 29,618 sqm is situated in an excellent location near Campos, only a few minutes' drive from the beautiful natural beach of Es Trenc and the marina of Sa Rápita. It impresses with its quiet countryside location and proximity to important amenities.

Here your dream of owning your own home in Mallorca can be realised, as a building project has already been approved so that construction can begin immediately.

Foreseen is a spacious, 2-level finca with approx. 353.85 sqm of living space and 322 sqm of terraces, plus a pool of around 72 sqm.

The finca will be characterised by its exceptionally spacious floor plan including 6 bedrooms and 6 bathrooms, 4 of which are en suite. A highlight is the generous living/dining area with integrated kitchen and separate TV room. The terraces will provide diverse tranquil retreats, and there will be an approx. 40 sqm garage.

The property commands magnificent views of the surrounding Mediterranean landscape, and is comfortably accessible via an asphalt road.

This interesting project can still be realised according to the desires of the new owners, and we would be pleased to assist in finding a suitable construction company if required.
