Location & surrounding area:

The Cala Moli is located south of the Cala Tarida in the west of the island. First follow the direction Cala Tarida and then follow the signs to Cala Moli.

The beach is pebbly suited, the water is crystal clear and quite wonderful for snorkeling. The bay is surrounded by rocks and there are several caves to discover. no umbrellas or sunbeds disturb the natural charm of the beach, as it was declared to a natural state. A quiet beach for purists who love the natural and minimalistic.
