Details:

The views to Santa Eulalia bay and mountains are relaxing; the town and beaches of Santa Eulalia (like niu blau, cala pada...) are just a short drive distance.

Outside, the turquoise blue water of the beach pool in the middle of the green exotic garden give you a unique peace-full sensation.

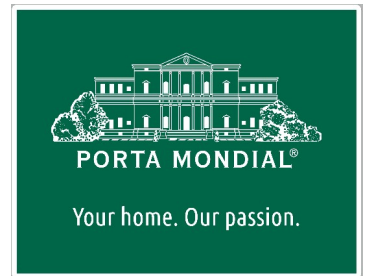

The made to measure wood pool house with complete kitchen, fire-place, living area... is awesome all year long.

Inside, the authentic finca style of the dining area and open kitchen are both comfortable and warm. The newly built living area give the property light and a modern touch in a very elegant way.

Another great feature is the guest house, not in the garden but outside of the garden with its own entrance, own kitchen, terrace, garden and even own pool. It consists in 2 separate studio apartments. So everybody can enjoy to be together or not!
