Details:

This exclusive property in Jesús Pobre offers 5 wonderful and cosy bedrooms, 4 noble bathrooms, 2 beautiful living-rooms, one of them with a fireplace and 2 stylish kitchens on 2 floors.

The design of this heavenly villa is unique. For example there is an imposing tosca arch brought from a medieval church framing the entrance from the naya into the main living room.

The floor is all tiled in hand made terracotta tiles.

The different elements like the ancient ceiling beams, the decorative tosca features and the hand wrought iron balustrades underline the charming ambience of this magnificent Mediterranean property.

The fantastic garden is the perfect place to spend time outside. Here you can find beautiful olive trees, cypresses, lemon trees and a lot more.

It offers spacious terraces, a pleasant barbecue area and a private pool.
